Dear Madam:

In response to your note, I take pleasure in sending you at once a copy of our 1919 Proceedings, which covers the report for the year 1918. As soon as the one for the past year is ready-- probably within the coming month-- I will also send you a copy of that.

Your husband was, as you write, a member for a number of years. In fact, he must have been one of its supporters almost from the beginning of the Society. It was not my privilege to be personally acquainted with him, as I have been Secretary for only about three years. In those days there was a little coterie of enthusiasts, and of this group he must have been one.

I need hardly assure you that should an opportunity present itself, we should be very glad to have you visit our Museum and see into what a splendid collection it has now grown.

Very respectfully yours,

Secretary.
